Sir,

I am directed to return the bill (with statement) amounting to Rs 7201-6-2 received with your letter No. 10153 / R.F. 118-92-93 dated the 19th May last, on account of the proportionate cost of Excise Establishment debitable to the Civil and Military station for the year 1895-96, and to request that it may be kindly caused to be revised in the manner referred to in the correspondence between the Collector of the station and the Excise Commissioner in Mysore ending with the latter's letter No. 1986/392 of the 28th October 1895, and the revised bill submitted to this office for adjustment.

I

I am to ask that future bills may also be prepared accordingly.

2. It is observed that the bill under reference exceeds the maximum amount chargeable to the Civil and Military station in accordance with Statement B that accompanied your letter No. 2982 / R.F. 118-92 dated the 20th August 1894 by Rupees 266-6-2, and that this excess is due to the increased rate of pay given to the Assistant to the Excise Commissioner and to the increased expenditure on contingencies. I am, in this Connection, to invite attention to the letters noted on the margin, and to point out that, as no previous reference was made to this office in respect of the increased expenditure alluded to above, it is not possible to meet the bill now under disposal from the budget allotment without recourse to re-appropriation from other sources, which entails a reference to the Government of India if funds are

Sir,

In reply to your official
Memo No: 923 / R.R. 118-92, dated the 27th July 1896, I have
the honor

1. Letter No: 1118, dated the 18th October 1895, from the Collector.
2. Letter No: 1986/392, dated the 28th October 1895.

to forward herewith, copy of the marginally noted correspondence between this office and the Collector of the Civil and Military Station, Bangalore. This refers to the sum of Rs: 6860-10-6 paid by the Resident's Treasury on account of the proportionate cost of Excise Establishment for the British Official year 1894-95, sanctioned by

by the Resident in his letter No: 3285, dated the 22nd August 1895.

2. The increase of Rs: 340-11-8 in the bill for the British Official year 1895-96 is due to the following causes:-

	Rs — A — P.
Increase to the pay of Mr. Davy, Assistant to the Excise Commissioner, at Rs: 100 per mensem from July 1895 to March 1896, for 9 months	900 — —
Difference between the old scale and new scale of Office establishment for 3 months, viz April, may and June	692-12-8
Total	1592-12-8

21% of this amount — Rs 334-7-10.

Add 63% of the difference between the disbursements of the pay of the Head Quarters Executive Staff for 1894-95, and 1895-96, viz Rs: 9-14-4	6-3-10
Total	340-11-8.

3. In the bill for 1894-95, which was paid by the Resident to Treasury

the

the contingent charges were cal-
-culated at Rs: 1200 but not at Rs:
700 Vide detailed Statement sub-
-mitted with this office letter No: 160/141
dated the 8th July 1895.

4. I may add that the amount
of the bill on account of the propor
-tionate cost of establishment for
1895-96, viz Rs: 7201-6-2, is much
less than the amounts of the bills
paid by the Residents' Treasury, viz
Rs 7846-5-9, 7977-14-5 7839-3-9,
for the years 1890-91, 1891-92, and 1892-93,
respectively. The amounts for
1893-94 and 1894-95 fell mainly
owing to the reduction of the Distillery
establishment and the pay of Dr.
Davy having been originally fixed
at Rs: 500/- instead of Rs: 500+60,
the Salary of Dr. McDonnell, and
which used to be proportionately
charged to the Civil, and Military
Station. Subsequently the amount
has risen again in consequence
of the increased scale of the Office
establishment

establishment and addition to Mr. Davy's pay. The fact of proposals having been made to increase the Office establishment, was duly noted in the Statements submitted with this Office letters Nos. 344/48, dated the 26th July 1893 and 2206/221, dated the 2nd November 1894.

5. With the above explanations the bill and the Statement are herewith resubmitted.
